SETTLING IT PRIVATELY

The Aggrieved Chinamin Not Disposed to Prosecute Their Countryman.

ONE CHARGE IS DROPPED

All the Absconders and Elopers Released Except Mrs. Foy Sing Who is Accused of Grand Larceny.

The two Chinamen and the one China-woman who skipped town Monday even-ing were caught at Dier Lodge and brought back to Anaconda by Deputy Sheriff Tracy. Everything is lovely once more in Chinatown. It all happened in this way. When the Chinese runaways reached Philipsburg they left their carriage, and going to the Northern Pacific depot purchased tickets for Silver Bow. They boarded the first train which came along, and everything went smoothly enough until they reached Deer Lodge. Here they left the train on the opposite side to the depot and hid behind a brush

side to the depot and hid behind a brush pile until the train had gone. They were too sharp to continue further on that train as they anticipated arrest.

The Mongolians waited for some time until the express came through, intending to board that train, but the train did not stop. They then held a consultation of war and Wong Mun, Moh Sing and Mrs. Fong King, who composed the party, decided to hire a rig to drive the m to Suart. The rig and a driver was secured and they started for Warm Springs, the first station on the route. A telegram sent out reached that point before they did, however, and they were arrested and brought back on reaching the Springs. Sheriff Tracy had warrants for the arrest of Wong Mun and Mrs. Fong King, but no charges had been made against Moh Sing, the gay lotharlo who had alienated the affections of Mrs. Fong King, Moh Sing accompanied the party on its return, however.

the affections of Mrs. Fong King. Moh Sing accompanied the party on its return, however.

On reaching the city Deputy Sheriff Tracy marched the trio up to jail, followed by nearly every Cainaman in town. On searching Wong Mun the deputy sheriff found \$26365 in cash. It will be seen that Wong had a neat little sum left of his embzzied funds. Mrs. Fong King did not have any money, but was well fixed in the jewelry line, having two diamond rings, a pair of valuable earrings, a solid gold chain and several other articles. This property was all confiscated. The Chinamen who had caused the arrest were apparently sorry they had done it, for early yesterday they began to hustle for money to pay the expenses of the asrest. This was done. The warrant was then withdrawn and Wong Mun was once more a free Chinaman. Not so with Mrs. Fong King, however, as she is charged with grand larceny. It is probable that the matter will be settled without trial. The money taken from Wong Mun is under attachment by MacCallum & Cloutier for a bill which Wong incurred while manager of the London restaurant. The Chinese are a shrewd people, and they will probably settle the matter quietly among themselves.

WILL GO TO BOZEMAN.

That is if the Citizens Will Kindly De.

fray the Necessary Expenses, At a special meeting of the Hook & Ladder company at the fire house last evening it was decided to appoint a committee to wait upon the citizens and busimoney by subscription to send the hook and ladder team and truck to Bozeman. The boys are anxious to take part in the firemen's tournament which occurs on Sept. 23 and 24. The amount required to send a team will be about \$250. If the amount can be raised to-day the hooks will go into practice at once. They feel will go into practice at once. They leep confident that will be able to land the championship hook and ladder race which is worth almost \$300. They will also stand a good show of winning several other prizes. The tournament lasts two days, and \$1,000 is offered in prizes. The Anacouda hooks is one of the were two days, and \$1,000 is offered in prices. The Anaconda hooks is one of the very best company's in the state and always has been. They are always on hand when needed, and are not afraid of soiling their hand by hard work. It is safe to say that there is not a member of the company who would not risk his life to save that of another should occasion arise, which is liable to be the case at almost any time. The company seldom asks any favors. It is kept up by money which comes out of the members' own pockets and not from the city, as in several other Montana cities. Besides, the sending of the team to Bozeman is not entirely a personal matter with the company. It is an advertisement for the city, and a good one. The team will do its best to win, and will stand an excellent chance of being in it at the fluish as it has done in previous contests throughout the state. The necessary amount should be raised in a few bours. The committee will be around to-day.

Notice is hereby given that, by authority of a resolution adopted at a meeting of the trustees of the Royal Gold & Silver Mining company, held at Ansconda on Saturday, Aug. 22, 1891, the office of said company was removed from Anaconda to Deer Lodge, Montana. Willard Bennett, president.

"Judge S—had been sick only about two works, and it was not until the last three or works, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his iliness he suffered from diabetes and stomach disorder. Later the kidneys refused to perform their functions and he passed quietly away.
